The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-400-7247 or visit our website at www.pchp.net. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$3,000 Individual / \$6,000 Family in-Network \$6,000 Individual / \$12,000 Family Out-of- Network	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> and some primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	For <u>network providers</u> \$6,000 Individual / \$12,000 Family; for <u>out-of-network providers</u> \$12,000 Individual / \$24,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out–</u> <u>of–pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.pchp.net or call 1-800-400-7247 for a list of <u>network providers</u> .	This plan uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider before you get services.</u>

Do you need a <u>referral</u> to see a <u>specialist</u> ?	No. To see a <u>specialist</u> , you don't need from this plan.	l a <u>referral</u> You can s this <u>plan</u> .	ee a <u>specialist</u> you choos	e without getting permission from
All <u>copayment</u> a	nd <u>coinsurance</u> costs shown in this chart are a	after your <u>deductible</u> has b	been met, if a <u>deductible</u> a	pplies.

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care.
